Doctor

As a doctor, I help you stay healthy or make you feel better when you are sick. I read test results, prescribe you medicine to feel better, and do surgery if something inside your body is broken.

INSTRUCTIONS

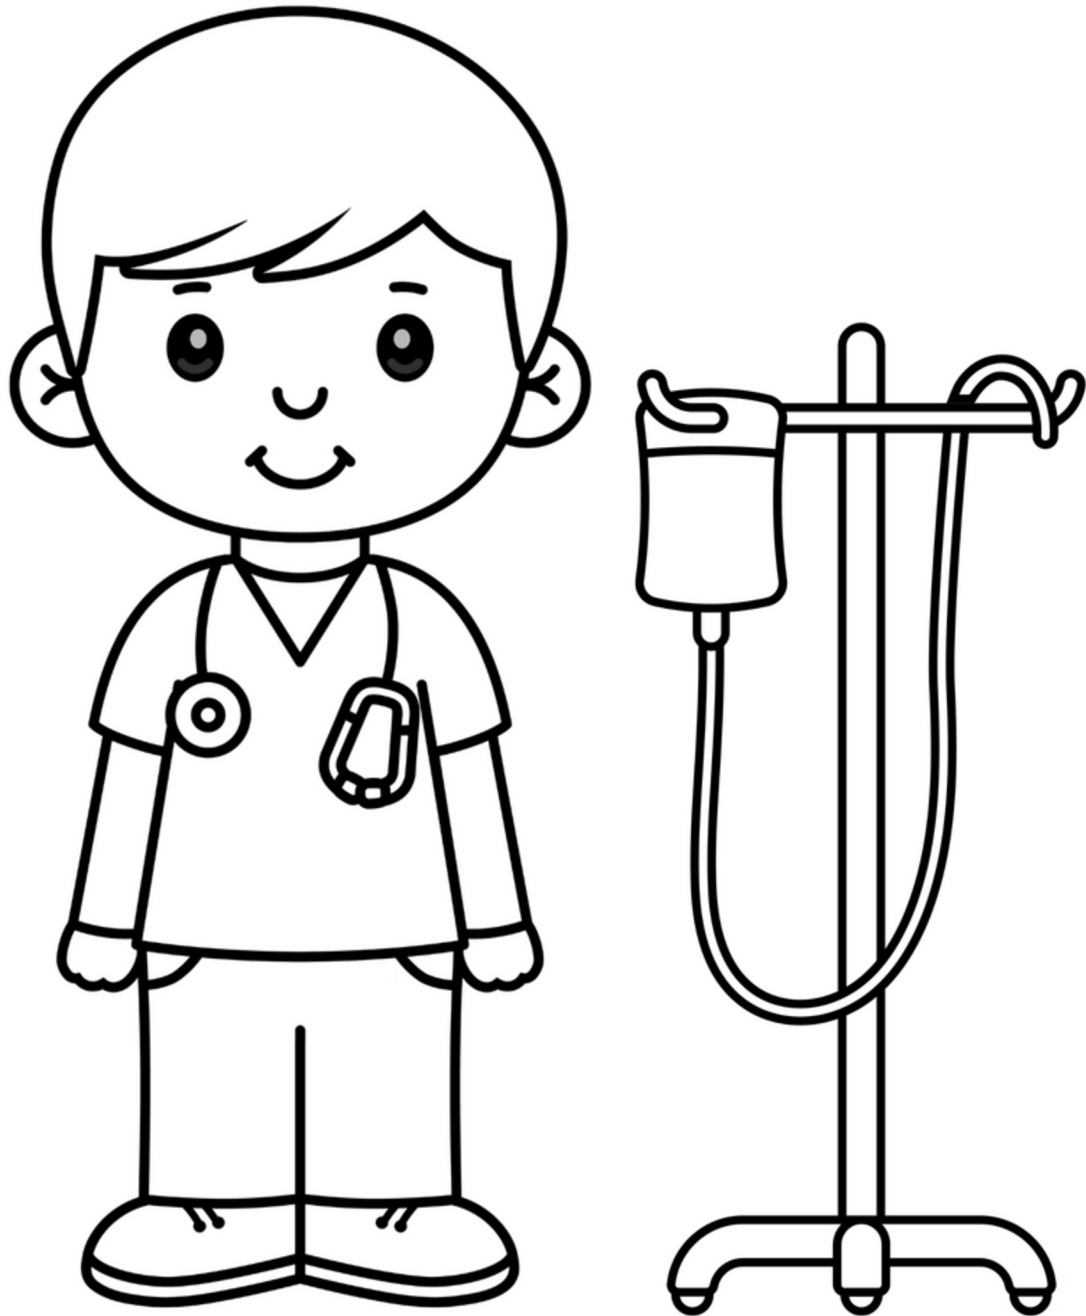

Physical Therapist & PT Assistant

Physical Therapist: I am like a body coach! I help you get strong and move better with fun exercises after you get hurt.

Physical Therapist Assistant: I work with physical therapists to show you exercises and help you get stronger every day.

Nurse & Nurse Aide

Nurse: I help you feel better by making sure you have everything that you need. I talk to doctors to make sure that everyone's voice is heard. I give medicine that helps your body heal.

Nurse aid: I help keep you comfortable and clean. I check your vital signs to make sure your body is working correctly.

Imaging Tech

I am a special helper in the hospital who takes pictures of the inside of your body when you do not feel well. I use machines to take pictures of the inside at bones, muscles, and organs to help the medical team find out what's wrong.
