

SURGERY CHECKLIST

Clothing

Wear comfortable, loose-fitting clothing.

Medical Papers

Remember to bring any papers your provider or the admissions clerk have asked for. Also bring power of attorney paperwork, advance directives, DNR or guardianship paperwork, if applicable.

Medications

Bring a detailed list of your medications, including over-the-counter medications or supplements. Make sure the list includes each medication's name, dose, how often you take it and the last time it was taken.

Medical Equipment

Bring any inhalers you are currently using. If you are on CPAP and staying overnight, bring your equipment. Bring any custom-fitted appliances or orthopedic appliances that will be used after surgery including collars, lumbar corsets, slings, walking boots, post-op shoes, etc.

Valuables and Jewelry

Other than your copay, if applicable, please DO NOT bring valuables (money, credit cards, jewelry, etc.) with you. Our facility cannot accept responsibility for these items.

Remove all jewelry, including wedding rings and body piercings, before arriving for surgery.

Glasses, Contact Lenses, Hearing Aids and Dentures

You may need to remove glasses, contact lenses, hearing aids or dentures before surgery. Bring storage cases for these items and plan to leave these items with the person accompanying you.

Make Up and Nail Polish

Remove all makeup and nail polish before arriving for surgery.

Wigs and Hair Accessories

You may need to remove your wig, hairpiece, hair pins or other hair accessories for surgery.
