

RIVERSIDE HEALTH SYSTEM PROVIDER LIST

Riverside Health System provides financial assistance to eligible patients who receive emergency or other medically necessary care in any Riverside hospital facilities. Any Riverside facility covered under this Financial Assistance Policy does not employ its own providers. Every provider at Riverside bills separately for his or her services and follows his or her own billing and collection procedures. Emergency or other medically necessary care provided by any physician or other provider in the specialties listed below, are not covered under this Financial Assistance Policy for their services provided at a Riverside hospital facility.
