

Holiday Letter from Ed Heckler

As we enter the December holiday season, we realize this year's celebrations will be different as we adjust to the impact and restrictions required from COVID-19. With everyone's safety in mind we continue to strongly discourage nonessential travel and visits for our residents including attending family holiday gatherings.

Thank you for your patience and support during this past year. We are working hard to protect and serve our vulnerable population and are committed to caring for others as we would care for those we love.

We wish you all the best this holiday season. Thank you again, for entrusting Riverside with your families' care. Best wishes for a healthy and happy New Year!
